*Have the **vision** to **develop** your own project.*

Kidsafe
Child Accident Prevention Foundation of Australia

1973—1986

Since Kidsafe's establishment, the number of children in Australia killed by unintentional injury has more than halved***; from over 750 deaths in 1979 to only 150 deaths each year now.***

This has been achieved through collaboration with others to provide injury prevention programs, legislation and standards change, media campaigns and educational resources.

Kidsafe
Child Accident Prevention Foundation of Australia

These have led to increased awareness of child safety issues and injury prevention throughout the community.

To date, a great deal has been achieved in preventing unintentional deaths and serious injuries to children – however, ***injury is still the leading cause of death in Australian children aged one to fourteen years, accounting for nearly half of all deaths in this age group.***

68,000 are still hospitalized each year due to preventable accidents.

Kidsafe and the community must continue their efforts to save the lives of Australian children.

CLUB SNAPSHOT 1973— 1986

Kidsafe Australia was established in 1979

We are an independent, charitable organisation dedicated to the prevention of unintentional death and serious injury to children aged 0 – 15 years

Kidsafe was first established in 1979 as the Child Accident Prevention Foundation of Australia

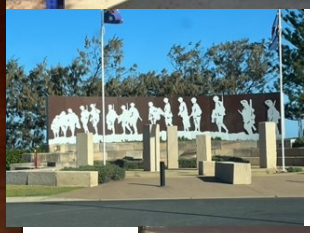
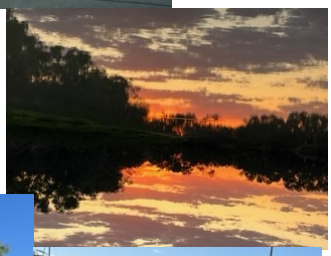
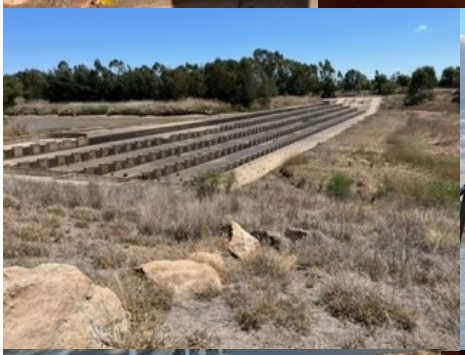
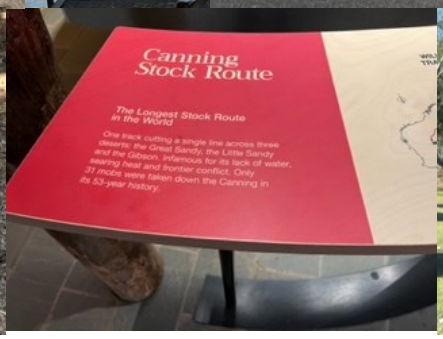
Keith Watts has just undertaken a 3,741km road trip of the Queensland outback. The fish Keith caught is shown below!









MEMBER SPOTS

Keith Watts reported on progress regarding the supply of equipment for Wewak. Some equipment had been procured locally and prices for container transportation have been obtained. Other items from the international service committee included:

◊ We are still awaiting confirmation from the Circle of Centennial Rotary Clubs (CCRC) that RCoB has been accepted.

◊ There has been no response from the sister clubs we recently contacted.

Chris Muir said that there was currently no power or water at Wewak. None of the 11 generators were working.

Angela Murphy requires items to raffle for the Tuk Tuk raffle night. Anyone with spare bottles of Champagne, etc…. Please see Angela.

ADDITIONAL TRANSPORT:	**ADDITIONAL TRANSPORT VEHICLES ARE MOST WELCOME**

Multiple Pallets of:

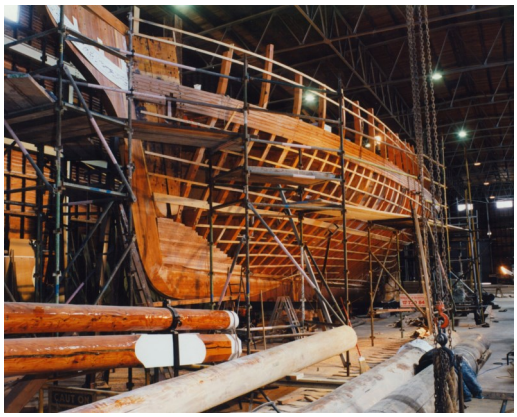
◊ Surgical Gloves

◊ Elastoplast Bandages

◊ Theatre Drapes

Need to be moved.

GUEST SPEAKER



The guest speaker today was Chris Ellis from the Windeward Bound Trust. Chris moved to Hobart in 1994 as State Manager of Olivetti. He became a member of the Rotary Club od Salamanca through a work associate and became President in 1999/2000.

Chris met Captain Sarah Parry at the build site of Windeward Bound in 1994 and Chris remains a marketing manager for this ship.

It costs approximately $5,000 per day to take the ship out. All of the crew are volunteers, except for the first mate who is paid.

To celebrate the centenary of the RCoB, a ship was sailed in the Brisbane River. The Trust has received sponsorship from the Royal Queensland Yacht Squadron and the RCoB has recently donated $2,500.

Some video links were provided by Chris:

ARTSHOW UPDATE

Brisbane ROTARY art SHOW

THE GOOD NEWS: 2023 Proceeds Banked $21,062

RCoB needs another major 2024 fund raiser: Something to consider.

THE BAD NEWS: RC Brisbane High Rise is restructuring the event into a corporate entity, with High Rise the event owner.

Lower sponsorship is expected, so partnering in 2024 with just Paddington RC.

RAFFLE was drawn by Silva Murphy, won by Edouard Van Goethem (right), who then proceeded to draw a dud card.

SERGEANT PE Angela Murphy fined anyone who hadn't been sick on a boat. Many members had to part with their hard earned dosh.

The Four Way Test

of the things we think, say and do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

MEETING CLOSED PP Bruce McNaught closed the meeting at 1.45 pm.
