President's Message

Fellow Rotarians and Guests, this is my first luncheon meeting as the President of the Rotary Club of Brisbane and I welcome you all to this meeting.

I would like to thank Past President, Mike for his achievements during 2009/2010. Also, I would like to thank all those members and guests who attended the Cellar Change-over Dinner.

This year we have a busy year coming up for the Club. Our projects include Donations in Kind, the Boondall Wetlands charity bike ride which is being organised by Kevin Jenkins and Greg Sellars and the City Heart Dinner which is being organised by Mario Pennisi and his committee.

I would like to see all active Club Members involved in one of these activities because I believe that being a part of the project team tends to build a strong club.

Last Friday we had a very successful Change-over Dinner at The Brisbane Club with 22 members and guests attending. On Saturday at Wacol, we had 8 of our members who helped other Rotarians load two shipping containers which are being transported to Papua New Guinea. Cam had much family support and we finished the day with coffee and had discussions with 21 Rotarians from other Clubs.

Another very important matter is that the Club does not have a Secretary with the resignation of Brian Carss from this position. We urgently need a replacement Secretary and I am informed that the work required would be 2-3 hours per week. It would be appreciated if somebody would accept this position.

Finally, we thank Brian for his work as secretary over the past four years and a presentation to Brian will be made at today's lunch.

Bas Veal

4 WAY TEST

Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Meeting Review

28th June 2010

President Mike Mauger opened the meeting and welcomed members and visitor Rafael Trujillo of Ecuador, guest Joshua Stewart and guest speaker Suzanne O'Sullivan.

Suzanne's topic was *Rotaract*. Rotaract is for young people age 18 to 30 and which is declining in District 9600.

The structure of is the same as Rotary with positions and committees depending on the size of the Club. It was established in 1968 (relatively a young institution). The goals of Rotaract are the same as Rotary ie development of Professional and Leadership skills, develop an understanding of local and global communities and international understanding. A Rotaract club must be sponsored by a Rotary Club, but this can be a problem as the initial sponsors change priorities. Rotaract Clubs can provide support for Rotary Clubs at functions and events and bring fresh ideas to the table.

Three main priorities for Rotaract.

- Professional Development includes Vocational Service.
- Leadership Development includes
 - Public speaking
 - Public relations
 - Organising projects
 - Fund raising
- Service Projects –Service above self
 - Local
 - International

President Mike passed a vote of thanks to Suzanne after a good question time.

Past President Mike Kelly spoke about the 25th Anniversary of the Kobe District Sister Relationship City Hall event at which he was representing President Mike Mauger.

Jack Burton won the raffle.

20 attendees.

Change-Over Dinner 2nd July.

- PP Wal Bishop
- PE Bas Veal
- PP Mike Kelly (Past President's pin)
- PP Brian Carss (completing 4 years as Secretary)
- Rotarian John Smerdon

President Mike then handed the Chains of Office to President Bas Veal who outlined his plans for the 2010-2011 year including the City Hall Project.

PP Mel Evans won the raffle and drew the 2 Clubs (Awww).

The flower arrangements' auctions were won by Rotarian Clive Morman and Rotarian Michael Stevens.
